

MEMORANDUM OF AGREEMENT

between

THE ATCHISON, TOPEKA AND SANTA FE RAILWAY COMPANY

WESTERN REGION

and

BROTHERHOOD OF LOCOMOTIVE ENGINEERS

ROAD SWITCHER SERVICE - SAN BERNARDINO, CALIFORNIA

IT IS AGREED:

(1) Road switcher service (Symbol RWB34) may be established at San Bernardino, California, in accordance with governing Road Switcher Agreement, to serve the territory from San Bernardino to approximately Mile Post 27.5 on the San Bernardino Subdivision, or any portion thereof, as the service is required. The distance from San Bernardino to Mile Post 27.5 is 27.5 miles, thereby exceeding the 25 mile limit on the San Bernardino Subdivision.

(2) The provisions of the Paid Holiday Agreement for Road Service Employees will be applicable to engineers protecting this road switcher (RWB34) assignment, provided they qualify under the Holiday Pay Agreement rules, even though they may operate in excess of 100 miles during tour of duty. It is understood this is without prejudice to the position of either party with respect to the application of any agreement rules, practices or principles involved and shall not be considered as establishing a precedent in the interpretation of such rules, practices or principles at any other point.

(2)

(3) This agreement is subject to automatic cancellation by abolishment of this assignment; or, cancellation by ten (10) days written notice by either party.

(4) This agreement is effective at 12:01 A.M. September 30, 1992.
