Dear Mr. Holdcraft:

To support operational changes at Belen, and per Article II of the 1971 National Agreement, BNSF needs to extending the switching limits on the Clovis and El Paso Subdivisions:

1. Clovis Subdivision, East from its current position, MP-888, to MP-879.11
2. El Paso Subdivision South from its current position, MP-934.4, to MP-939.6

Therefore, we would like to meet with you as soon as it is mutually convenient, in order to discuss this change.

Sincerely,
